

Dr. Gina Oh Studio Course Descriptions at Pro Arte 2018/2019

Junior Musical Theatre

Ages 6-9, No Prerequisite – 35 Weeks (\$525+gst from Sept to June)

Tuesdays 7-8pm GROTTO Studio

Junior Musical Theatre focuses on developing singing, acting and dancing skills in a variety of musical theatre performing styles. This class lays down the foundation for musical theatre learning to use your voice to sing songs of different genres, such as ballads and comedic styles. We will learn to bring a song to life with acting and movement. A big portion of the class will be fun acting games and exploring new forms of fearless expression.

Intermediate Musical Theatre

Ages 10-13, No Prerequisite – 35 Weeks (\$525+gst from Sept to June)

Thursdays 7-8pm GROTTO Studio

Intermediate Musical Theatre focuses on developing singing, acting and dancing skills in a variety of musical theatre performing styles. Students will learn advanced techniques using your voice to sing songs of different genres. We will look more in-depth at auditioning skills, studying repertoire, stage techniques and performance practice. We will cover topics such as performance anxiety and stage fright. A big portion of the class will be fun acting games and exploring new forms of fearless expression.

Youth Choir

Ages 6-16, Prerequisite: a keen motivation to study and make music

– 35 Weeks (\$525+gst from Sept to June)

***Saturdays 2-3pm GROTTO Studio**

Youth Choir is a singing group that is committed to singing and making music together in a social environment. It is open to all students that have basic music skills and want to grow in their musical experience. Students learn to sing harmonies, read music and study different styles. This choir is based on healthy free singing, to enhance and refine their musicality skills.

*If not enough people sign up for this class, there is an option to make it a **Company Musical Theatre class**.

Adult Choir

Prerequisite: To join with low expectations and a joyful attitude - \$75+gst /month

Fridays 530-7pm GROTTO Studio

A fun and casual introduction back to music reading, music making and taking a break from the everyday. We will do many breathing exercises to increase mental serenity and sift through repertoire of all styles.

PRIVATE VOICE LESSONS

\$75/hour or \$35/half hour

Private voice lessons are focused on voice technique and sound quality for all styles of music. Dr. Gina Oh is specialized in the breathing physiology for the singer and dancer. This time is useful to fix or condition areas of speech, singing, song & dance, and proper vocal support. Repertoire knowledge, regular practice and the opportunity to compete or perform is encouraged.
